

COURT OF APPEALS
DIVISION TWO
OF THE STATE OF WASHINGTON

STATE OF WASHINGTON

Respondent,

v.

Tammy Taylor
(your name)

Appellant.

No.

42508-4-DYI

STATEMENT OF ADDITIONAL
GROUND FOR REVIEW

I, Tammy Taylor, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

The Sentencing Court failed to correctly calculate my sentencing range under the same criminal conduct basis itself. The Court itself, not just the State or Defense, must be satisfied that it is sentencing on the correct score. Thus, it was the Court, not the State or Defense, that should have done an independent same criminal conduct analysis regardless of what the State says.

Additional Ground 2

If there are additional grounds, a brief summary is attached to this statement.
